

No hate, no fear
Refugees are welcome here

Say it loud, say it clear
Refugees are welcome here

[We doen het samen]

(Op de melodie van 'Bella ciao')

We werden wakker, het was al laat en
Oh bella ciao, bella ciao, bella ciao ciao ciao
De haat marcheerde door de straten
Het fascisme greep zijn kans

We stonden sterk, en met kameraden
Oh bella ciao, bella ciao, bella ciao ciao ciao
Zij aan zij stonden we samen
In de straten, in de stad

We rebelleren tegen fascisme
Oh bella ciao, bella ciao, bella ciao ciao ciao
Geen genocide, en geen racisme
Wij kiezen vriendschap als ons pad

We voelen liefde, we voelen woede
Oh bella ciao, bella ciao, bella ciao ciao ciao
We doen het samen, dat maakt ons moedig
Er gloort licht in deze nacht

We gaan niet falen, we zullen winnen
Oh bella ciao, bella ciao, bella ciao ciao ciao
Een nieuwe dag die zal beginnen
Want we geven haat geen macht

[We shall overcome]

We shall overcome
We shall overcome
We shall overcome some day.

Oh, deep in my heart
I do believe
We shall overcome some day

We'll walk hand in hand
We'll walk hand in hand
We'll walk hand in hand some day

Oh, deep in my heart
I do believe
We shall overcome some day

We shall live in peace
We shall live in peace
We shall live in peace some day

Oh, deep in my heart
I do believe
We shall overcome some day
We will all be free
We will all be free
We will all be free some day

Oh, deep in my heart
I do believe
We shall overcome some day
We are not afraid
We are not afraid
We are not afraid TODAY

Oh, deep in my heart
I do believe
We shall overcome some day
Oh, deep in my heart
I do believe
We shall overcome some day

[Imagine]

(Tekst en muziek: John Lennon)

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Livin' for today
Ah

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too

Imagine all the people
Livin' life in peace
You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

Imagine all the people
Sharing all the world
You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

[Let us stand]

So let us stand
As we face the coming storm
For we love this land
Let's work for a better dawn
And let us love
Like we've never loved before
Sisters and brothers, all together
Let us stand
